# FIND YOUR PATH TO SUCCESS WITH TTI

For over 20 years, Testing and Training International (TTI) has been the educational consulting firm that Orthodox Jewish students turn to when looking to pursue a college degree. TTI offers students the ability to continue their secular education without compromising their values or sensitivities.

To this end, TTI has partnered with accredited universities and colleges to customize courses that follow the strictest halachic standards, while providing their students with the cutting-edge tools they need to flourish in a competitive workplace. To date, TTI has enabled over 10,000 Jewish students to access the education they sought while adhering to their high standards, and their alumni have gone on to successful and rewarding careers in a diverse array of fields. TTI's success is best recognized through their graduates pursuing promising and rewarding careers in diverse fields all over the world.

TTI is committed to ensuring your success. As a TTI student, you will receive personalized degree plan guidance and dedicated support from an academic advisor who understands your goals.
