

# About Us

The pool is partially above-ground at a consistent depth of 4 feet. The water is heated and kept at optimal temperatures according to the weather. The pool area is completely enclosed and private.

Our 2018 summer membership season runs from June 21st through August 28th.

**Pool is Closed July 29th-July 31st**

**\*\*IMPORTANT\*\*** No one is permitted in the pool without a POOL PLACE WAIVER signed and filled out properly. Children must have waivers signed only by PARENTS. E-mail ltrucker@gmail.com for a waiver and email it back or see our link on Local Jewish News. Waivers from previous years can be looked up upon request.

### Weather Policy:

The pool is open in all weather (except thunder & lightning), since we adjust the heater according to the temperature. Lifeguards may not be on duty when the weather is cool or rainy, so please CALL TO CONFIRM the availability of the lifeguard.

Swimming vests that help with buoyancy are available in different sizes. (Note: They are not life vests.) There are also plenty of noodles.

### Pool Rules:

- Children 3 and under must use a swimming diaper. (diapers are available at the pool for \$1)
- There is a possibility that the pool may need to be closed for emergency maintenance.
- No sharp objects allowed in the pool
